(FORMERLY AANS BULLETIN)**

BY CLICKING THE “I AGREE” BUTTON BELOW AND ENTERING YOUR ELECTRONIC SIGNATURE YOU ARE AGREEING TO ALL OF THE TERMS, CONDITIONS AND AGREEMENTS SET FORTH IN THIS RELEASE AND ASSIGNMENT AND YOU ACKNOWLEDGE THAT YOU HAVE READ, UNDERSTAND AND AGREE TO BE BOUND BY ALL OF THE TERMS, CONDITIONS AND AGREEMENTS HEREIN.

The undersigned author (“Author”) has submitted

**Article Title:**

(the “Work”) to the American Association of Neurological Surgeons (“Association”) for the purpose of consideration for and potential publication in the *AANS Neurosurgeon*. In order to enable the Association to consider publication of the Work, the ownership of the Work must be established, and Author hereby represents, warrants, agrees and undertakes that:

- 1) The Author is the author and owner of the Work, which is an original work, has not been published before and is not being considered for publication elsewhere;
- 2) With respect to any copyrighted material not owned by Author but reproduced in the Work, Author has obtained permission from the copyright holder(s) and acknowledged the source(s), or in the case of a work-in-progress, will obtain permission and acknowledge the source(s) before any publication;
- 3) The Work does not contain any violation of any existing copyright or other third party right or any material of an obscene, indecent, libelous or otherwise unlawful nature, and, to the best of Author’s knowledge, the Work does not and will not infringe upon the rights of others; and
- 4) Author shall indemnify the Association against all claims and expenses, including legal costs and expenses, arising from any breach of any representation or warranty under this Agreement.

Author hereby assigns, transfers and conveys to the Association all right, title and interest, including all copyrights and all copyright renewals, extensions, revisions and revivals, for the full period of copyright, in and to the Work, in any form (including any form subsequently revised for publication) and in any media, and hereby agrees to execute such other and further documents as may be requested by the Association to evidence and/or effectuate this Agreement, including, without limitation, filings with the U.S. Copyright Office or any similar state or foreign agency.

By virtue of this Agreement, the Association shall have complete ownership of the Work, including full domestic and foreign copyrights, and shall have the exclusive right to use and exploit the Work, and any derivative works thereof, as it wishes, including, without limitation, the right to publish and distribute the Work, and to reproduce and prepare derivative works. Without limitation of the foregoing, Author hereby grants Association the right to use Author’s name for purposes of attributing creation of the Work and for promoting the Work and Association’s publications.

**RELEASE AND PERMISSION**

It is a condition of submission to and acceptance and publication by the American Association of Neurological Surgeons (the "Association") that all materials submitted for consideration, use and/or publication (including, but not limited to, photographs, video files, audio files and text), whether solicited or not, and whether additional consideration is provided or not, are submitted on the basis that the undersigned, on behalf of himself, herself, itself or on behalf of the Grantor identified below (herein referred to as "Grantor"), hereby grants permission to the Association to reproduce, edit, modify, publish, distribute, transmit, copy or otherwise use or exploit, either in whole or in part, in any medium now known or later discovered, as the Association, in its sole discretion, may deem advisable, in the publication known as AANS Neurosurgeon, and/or in any other publication of the Association, as well as on any website affiliated with the Association, including, but not limited to, aans.org and aansneurosurgeon.org (collectively, the "Publications"), the below-identified items submitted by Grantor (the "Items"). Grantor waives all copyright or other rights or interests which Grantor may have or have had in such Items in favor of the Association for the purposes as set forth above.

Grantor acknowledges that there is no obligation on the part of the Association to use or publish the Items or to continue to publish, distribute, or otherwise make available the Publications, and that the Items and/or the Publications may be modified, amended and otherwise updated as deemed appropriate by the Association, in its sole discretion. Grantor agrees and acknowledges that the Association may continue to use and exploit the Items without obtaining further permission from Grantor and without payment of any consideration for such use.

By submitting such material to the Association, Grantor represents that it holds the right to grant a release of copyright and all other rights in respect of the Items. Grantor understands and agrees that the Items may be used, published and exploited without identifying the Grantor as the author, creator, photographer or owner.

Grantor hereby releases and discharges the Association and its agents, representatives, directors, employees and assignees from any claims or causes of action, now known or later discovered, including, but not limited to, invasion of privacy, right of publicity, and defamation arising out of the use and exploitation of the Items or a failure to give credit to any subjects in the Items.

Grantor represents and warrants that he or she, if an individual, is over the age of eighteen years.
